Norman H. Finkelstein

American Jewish History: A JPS Guide (JPS Guides) Norman H. Finkelstein

Thanks to these generous donors for making the publication of this book possible: JPS Board of Trustees .

This JPS Guide chronicles the extraordinary history of American Jewry. Finkelstein tells the dramatic 350-year story of the people and events that shaped the lives of today's American Jews. Divided into six time periods, *American Jewish History* describes Jewish life from the time of the early settlers, to the period of massive immigration that flooded the cities, to the incredible growth of Jews in positions of influence in business, politics, and the arts. This is a story of a people who affected not only the lives of Jews in the U.S. today, but also the course of American history itself. There are over 70 black and white photographs, maps, and charts and more than 120 feature boxes and biographies throughout, as well as timelines, notes, a bibliography, and index. Finkelstein has made the saga of American Jewry much more than a compilation of historical facts. This is wonderfully stimulating journey—a worthwhile adventure for readers of all ages.

From reader reviews:

Lidia Hill:

Book is definitely written, printed, or highlighted for everything. You can recognize everything you want by an e-book. Book has a different type. As it is known to us that book is an important matter to bring us around the world. Close to that you can your reading skill was fluently. A book American Jewish History: A JPS Guide (JPS Guides) will make you to end up being smarter. You can feel a lot more confidence if you can know about every little thing. But some of you think which open or reading the book make you bored. It is not necessarily make you fun. Why they could be thought like that? Have you in search of best book or suitable book with you?

Frank Monroe:

Often the book American Jewish History: A JPS Guide (JPS Guides) will bring someone to the new experience of reading the book. The author style to spell out the idea is very unique. If you try to find new book you just read, this book very appropriate to you. The book American Jewish History: A JPS Guide (JPS Guides) is much recommended to you you just read. You can also get the e-book from the official web site, so you can more readily to read the book.

Christopher McCormick:

Reading a book being new life style in this calendar year; every people loves to examine a book. When you examine a book you can get a wide range of benefit. When you read books, you can improve your knowledge, since book has a lot of information into it. The information that you will get depend on what sorts of book that you have read. If you want to get information about your review, you can read education books, but if you want to entertain yourself look for a fiction books, such as novel, comics, in addition to soon. The American Jewish History: A JPS Guide (JPS Guides) offer you a new experience in studying a book.

Gail Blakely:

As a pupil exactly feel bored for you to reading. If their teacher requested them to go to the library or even make summary for some reserve, they are complained. Just little students that has reading's heart or real their passion. They just do what the educator want, like asked to the library. They go to right now there but nothing reading seriously. Any students feel that examining is not important, boring and can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this American Jewish History: A JPS Guide (JPS Guides) can make you really feel more interested to read.
