Job loss is a reality in today's marketplace, but it's not the death knell for your career. In *You're Fired!: A Unique Approach To Rebuilding Your Life* one learns how to recover from the loss and begin to rebuild. Many books touch upon the surface elements of job loss, such as writing a resume or successful interview techniques. *You're Fired!* delves beneath the surface to uncover the emotional and psychological supports that must be reinforced before updating your resume and scheduling interviews. As Denis J. Baker, Vice-President/Human Resources, Saint-Gobain Corp., Norton Co., states: "You're Fired!: A Unique Approach To Rebuilding Your Life reads like a novel. Through the experience of a 'company' man suddenly confronted with the loss of his job, Dr. Berman shows us how to deal effectively with the emotional and psychological aspects of losing a job. Unlike the conventional textbook approach, Dr. Berman's book is easy reading yet packed with valuable insight and advice for anyone facing this traumatic life change."
