I share my wife: a memoir of Joe Moreira Joe Moreira

"I share my wife" is an intense memoir that explores how the tensions and manipulations of a strong relationship affect a man, even when he has a fantasy inside of himself to be with two women. The man is Joe; a Brazilian marathon runner in his 20's living a passionate life in Massachusetts with his wife Helena and her lover Yahana. The fire of their relationship goes out of control when their emotions come into play, at the expense of their own individuality, and then dies out. The substance of the problem is after losing the sexual appeal between them, they stay together in order to cope with the emotional turmoil they have stirred up. It would be for people who have the curiosity to understand the fantasy of others, even when they don't have the capacity to engage in this kind of relationship for themselves.

Carolyn Scott:

As a scholar exactly feel bored in order to reading. If their teacher inquired them to go to the library or make summary for some book, they are complained. Just little students that has reading's spirit or real their hobby. They just do what the trainer want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that examining is not important, boring and can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this era, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this I share my wife: a memoir of Joe Moreira can make you truly feel more interested to read.
