Kim (Penguin Classics) Rudyard Kipling

An epic rendition of the imperial experience in India, one of Kipling's greatest works

Kim, orphaned son of an Irish soldier and a poor white mother, and the lama, an old ascetic priest, are on a quest. Kim was born and raised in India and plays with the slum children as he lives on the streets, but he is white, a sahib, and wants to play the Great Game of Imperialism; while the priest must find redemption from the Wheel of Things. Kim celebrates their friendship and their journeys in a beautiful but hostile environment, capturing the opulence of the exotic landscape and the uneasy presence of the British Raj. Filled with rich description and vivid characters, this beguiling coming of age story is considered Kipling's masterpiece.
