Renovating Holiness

Renovating Holiness

This book is a call for change. Even more, it calls for open conversation about change. For too long, many in the Church of the Nazarene have considered the doctrine of holiness off limits, a sacred cow, impervious to all forces of cultural modification and theological renewal. It's time for a real change, because the church needs renovation! These 100+ essays from Millennial and Xer leaders explore how holiness might be understood and lived today.
