Shakespeare's Sessions of Sweet Silent Thought: Season One: Spring T. Woods

William Shakespeare takes a journey down memory lane as he prepares his sonnets for publication, revealing a past that they didn't tell you about in school. In Season 1, Spring, he revisits his childhood to introduce us to the most influential person in his life, his best friend for life, his future wife, and quite a few more people you probably never associated with Shakespeare before. Though a fiction, Sessions of Sweet, Silent Thought is thoroughly grounded in facts and offers a believable account which will open your eyes to things biographers of the bard have known about, but for some reason have never thoroughly explored.
