**Texas Ties: Book Babes Trilogy Part One (Texas Heroes 13)** Jean Brashear

The first installment of a new 3-part story in the beloved Texas Heroes series from New York Times and USA Today bestselling Texas romance author Jean Brashear!

The Book Babes reading group began as five women wanting to talk books—but now they've become family. There's romance author Ava Sinclair, organizer and backbone; happily-married mother of five Ellie Preston, group mom; patrician art gallery owner Sylvie Everett; single mom and sociology professor Luisa Martinez; and ambitious attorney Laken Foster, the wild child of the bunch. For several years now, they've met monthly and discussed the current book a little--and dissected their lives and loves far more often.

But now change is rippling through the group, begun by Laken's restlessness with her freewheeling life of serial hookups and sent into hyperdrive by Ava's suddenly-hot career, while Luisa's abusive ex tries to reclaim their teenage son and Sylvie faces her mother's decline. But it's when Ellie takes her first step into life after her children fly the nest and falls under the spell of the sexy artist who's teaching her to paint that the group's orbit begins to wobble on its axis, and life--for all of them and the men they love--will never be the same.

And then there's the surprise Sweetgrass Springs connection...
