The Betrayer Daniel Judson

Shamus Award winner Daniel Judson returns with a gripping, family-driven epic that Alison Gaylin, International Bestselling Author of And She Was, calls "An action-packed, smart and richly layered thriller."

Wanted for a crime he did not commit, former paratrooper Johnny Coyle is living in hiding with a woman he has sworn to protect at all costs. But when his younger brother Jeremy begins looking into the death of the father he barely knew—a legendary undercover FBI agent murdered by a Russian hit squad two years before—Johnny will risk everything to save what is left of his estranged family from a cunning and twisted killer-for-hire bent on vengeance.
