Imagine that you have less than a year to live and the only chance of survival appears to be the one and only smart phone of its kind, once belonging to a Chinese boy named Stevie Ching who was kidnapped from the streets of Ridgewood, New Jersey. And if that doesn't sound crazy enough, add in the mix a professional gang of criminals chasing after you because you've got what they want; the app on Stevie's phone...for time travel. CJ King and Hank Martin, aka Lumpy and Bones, couldn't be more opposite...or better friends. They are about to start their final year at Ben Franklin Junior High School...and the journey of a lifetime. The Mad Dash begins!
