Carlton Brown

A Guide to Oncology Symptom Management (Second Edition) Carlton Brown

A Guide to Oncology Symptom Management (second edition) is a comprehensive, evidence-based resource to lead oncology nursing practice, education, and research. Each chapter addresses a particular symptom, such as pain or fatigue, or an area of impact, such as spirituality or electrolyte imbalances. It takes a holistic approach, addressing a range of common concerns physical, emotional, social, and spiritual. Some chapters also address specific populations that may have unique symptom experiences, including older adults and caregivers
