Animals

Emma Jane Unsworth

Animals Emma Jane Unsworth

You know how it is. Saturday afternoon. You wake up and you can't move. I blinked and the floaters on my eyeballs shifted to reveal Tyler in her ratty old kimono over in the doorway. 'Way I see it,' she said, glass in one hand, lit cigarette in the other, 'girls are tied to beds for two reasons: sex and exorcisms. So, which was it with you?' Laura and Tyler are best friends who live together, angrily philosophising and leading each other astray in the pubs and flats of Manchester. But things are set to change. Laura is engaged to teetotal Jim, the wedding is just months away, and Tyler becomes hell-bent on sabotaging her friend's plans for a different life. *Animals* is a hilarious, moving and refreshingly honest tale of how a friendship can become the ultimate love story.
