Child Migration and Human Rights in a Global Age (Human Rights and Crimes against Humanity)

Jacqueline Bhabha

Why, despite massive public concern, is child trafficking on the rise? Why are unaccompanied migrant children living on the streets and routinely threatened with deportation to their countries of origin? Why do so many young refugees of war-ravaged and failed states end up warehoused in camps, victimized by the sex trade, or enlisted as child soldiers? This book provides the first comprehensive account of the widespread but neglected global phenomenon of child migration, exploring the complex challenges facing children and adolescents who move to join their families, those who are moved to be exploited, and those who move simply to survive.

Spanning several continents and drawing on the stories of young migrants, *Child Migration and Human Rights in a Global Age* provides a comprehensive account of the widespread and growing but neglected global phenomenon of child migration and child trafficking. It looks at the often-insurmountable obstacles we place in the paths of adolescents fleeing war, exploitation, or destitution; the contradictory elements in our approach to international adoption; and the limited support we give to young people brutalized as child soldiers. Part history, part in-depth legal and political analysis, this powerful book challenges the prevailing wisdom that widespread protection failures are caused by our lack of awareness of the problems these children face, arguing instead that our societies have a deep-seated ambivalence to migrant children--one we need to address head-on.

Child Migration and Human Rights in a Global Age offers a road map for doing just that, and makes a compelling and courageous case for an international ethics of children's human rights.

From reader reviews:

Dennis Scott:

As people who live in the particular modest era should be upgrade about what going on or information even knowledge to make these keep up with the era that is certainly always change and make progress. Some of you maybe will certainly update themselves by reading through books. It is a good choice in your case but the problems coming to an individual is you don't know what kind you should start with. This Child Migration and Human Rights in a Global Age (Human Rights and Crimes against Humanity) is our recommendation to cause you to keep up with the world. Why, as this book serves what you want and need in this era.

Lisa Vazquez:

Reading a book tends to be new life style in this particular era globalization. With studying you can get a lot of information that can give you benefit in your life. Along with book everyone in this world could share their idea. Books can also inspire a lot of people. A great deal of author can inspire their own reader with their story or maybe their experience. Not only situation that share in the ebooks. But also they write about the ability about something that you need illustration. How to get the good score toefl, or how to teach children, there are many kinds of book that exist now. The authors on earth always try to improve their ability in writing, they also doing some exploration before they write for their book. One of them is this Child Migration and Human Rights in a Global Age (Human Rights and Crimes against Humanity).

Anna Sanders:

Many people spending their period by playing outside along with friends, fun activity with family or just watching TV all day long. You can have new activity to enjoy your whole day by reading through a book. Ugh, do you think reading a book will surely hard because you have to accept the book everywhere? It okay you can have the e-book, delivering everywhere you want in your Cell phone. Like Child Migration and Human Rights in a Global Age (Human Rights and Crimes against Humanity) which is getting the e-book version. So , try out this book? Let's see.

Robert Carroll:

As we know that book is very important thing to add our understanding for everything. By a reserve we can know everything we really wish for. A book is a range of written, printed, illustrated or even blank sheet. Every year ended up being exactly added. This e-book Child Migration and Human Rights in a Global Age (Human Rights and Crimes against Humanity) was filled about science. Spend your free time to add your knowledge about your technology competence. Some people has several feel when they reading a book. If you know how big selling point of a book, you can really feel enjoy to read a reserve. In the modern era like today, many ways to get book that you simply wanted.
