## Copperhead Cove Ron Parham

**The stillness of the warm, Kentucky afternoon on Copperhead Cove is shattered by the echo of a high-powered rifle**, sending birds flying and two famous basketball coaches to a watery grave. Bo Paxton, their fishing guide, becomes collateral damage, thrashing through the murky waters of Quail Hollow Lake for his life while a Chicago hit man hunts him down, beginning a life-and-death manhunt for Bo and a marked member of the Chicago mob.

Ethan Paxton and Jake Delgado, from far-off California, search the unfamiliar Kentucky hill country for Bo, but they aren't the only ones looking for him. In a race against time and the Chicago mob, Ethan and Jake must battle an unforgiving lake, a thunderstorm and poisonous snakes to decide Bo's fate. Can they reach him before the mob enforcers?

## Praise for Copperhead Cove

"Ron Parham has done it again. His second Ethan Paxton suspense novel, *Copperhead Cove*, is just as exciting and entertaining as his first foray in the genre: *Molly's Moon* — maybe even more so. This time his hero is back east, in the wilds of Kentucky, trying to save his older brother Bo and family from a nasty situation in which they have gotten on the wrong side of a vengeful and death-dealing wing of the Chicago mob. Once more delivering his story from multiple points of view, Parham scores big with another fast-reading page-turner." ~ J. B. Hogan, author of *The Apostate*, *Angels in the Ozarks*, and *Living Behind Time*
