## **Edge of Obsession** Megan Crane

*USA Today* bestselling author Megan Crane's smoldering new novel will leave readers ... obsessed.

Tyr, a powerful man in a destroyed world, needs only three things to survive: his weapons, basic resources and a rotation of women to serve his voracious sexual needs. But when a beautiful prisoner grabs his attention during a mission to restock his clan's supplies, Tyr's alpha instincts give way to something much darker--strong, unquenchable lust that cannot be ignored...or denied.

After two years on the run, Helena is snared by this dominant group of men who roam the land unchallenged. Strong to her core and with a mission of her own, Helena knows she doesn't have to be their captive for long. But despite all the terrible things she's heard about these brutal beasts, Helena is overcome by intense desire for the ruthless man who has taken her. As their scorching passion escalates, Helena will have to trust in Tyr in order to save both what's left of this desolate, torn-up world...and herself.
