## **Evolution's Race ~ Book I ~ The Runners (Evolution's Collection)** L. Pelletier

Even at her young age, Simone has already known for some time that life can occasionally be hard, thanks to her unusual “situation.” But a painful divorce and the heart wrenching decision to temporarily give up custody of her young daughter have introduced her to a whole new level of “hard.” She knows that her unique attributes have caused her loved ones enough trouble and she yearns just to get away from it all for a while. She’s sure that her luck is finally changing when she finds the perfect place to do just that in the small, picturesque town of Pinegrove, MA. However, she soon finds more than she bargained for already residing in her little slice of paradise, leaving her with questions she’s not sure she wants answered. Like who is the unassuming but surprisingly talented, local musician exactly? Why does his music so easily give her the peace that she seeks? Is her condition really as unique as she has spent her life thinking it is? Is it worth the risks she would have to take to find out? Suddenly Simone is caught up in the mystery of this little town that had at first promised such serenity. Now she must decide what she wants most, blissful ignorance or the terrifying truth. Because simply ignoring it all is no longer an option. Not once it becomes clear that there are other people who need her help. The only thing she’s sure of, is that it’s not just her life at stake anymore.
