Rage

Death. Destruction. Rage.

Layla moved a thousand miles to escape the brutality and vengeance of the club. Of the man who stole her heart. But she was forged in the club and she will never be as free as she believed...

When her brother is murdered, death brings her right back into the clutches of the club - and under the watchful eye of Cullen "Rage" McFadden, her first love.

Cullen "Rage" McFadden wants vengeance for his best friend's murder more than anything in the world. The only thing that could distract him is Layla. Loving her has never brought him anything but pain. She could be his undoing, but he doesn't care. He has to have her.

Can Layla resist the temptation he represents, or will he drag her down into his world one more time?

Wrath

He's the sinner, she's the savior, but can she save him?

The Savior

Emma Snow has spent her life fighting to live. The product of a broken home, she clawed her way to independence, but at a cost. Now, in her junior year at a top tier college, she has everything within her grasp. Until she meets him.

Aidan is wild and reckless. Everything she isn't and everything she should avoid. Her attraction to him is undeniable.

Emma escaped darkness before. Will surrendering to him only trap her again?

The Sinner

Wounded Army Specialist, Aidan Crowne never thought living at home could be this hard. A year into his new life, and he is already spinning out of control. No job, no prospects.

Fire and Steel MC offers him a place at their side. Joining the club means he'll have to sacrifice everything that makes him human and give into his true nature.

His Wrath.

Is it worth the cost?

Can Emma deny Aidan when she's the only one who might lead him to safety?

Thrash

I've got demons riding my back, but all I want is her.

He's a cold hearted bastard. That is until he met Nora.

He's falling for her, but as Rage's right-hand man, Thrash has to stay focused on the task at hand. He has to be the cold hearted man that the club relies on. Fire and Steel must confront their traitorous former club president, Bones, once and for all.

She's struggling to make it in the wider world, and he's the only one who can help.

Nora abandoned her life with her oppressive family for the chance to become a real artist. The club isn't just a place for commissions and patronage, though. Now, she works to understand the members of Fire and Steel, but does she really understand the stakes?

As alliances shift and new players are revealed, Thrash and Nora must face their deepest fears. Will they be able to find true happiness with one another in the middle of all-out war?
