Lada and Co. Soviet Cars in Cuba: Soviet Automobiles in the Streets of Cuban Cities (Calvendo Mobility) Henning von Loewis

Cuba is the only country in the world where American and Soviet cars together crowd the streets of the cities and rural roads. Whereas Detroit's dinosaurs symbolize Cuba's American past, the Soviet cars are a reminder of the USSR's close link to Cuba. The LADA played and still plays an important role as a workhorse of the Cuban revolution. It is used as taxi, police car and vehicle of government institutions. The Soviet cars in Cuba outnumber their US counterparts two to one. Calvendo calendars are premium products - a bit more pricey than others but with added benefits: Our calendars always look beautiful on your wall because we produce them locally with premium paper and sophisticated spiral binding, ensuring easy turning of pages and flat hanging against the wall. A protective transparent plastic cover sheet provides added stability and each calendar comes in five languages. Treat yourself to a Calvendo calendar and you get something that looks better all year round.
