As a student exactly feel bored to help reading. If their teacher requested them to go to the library or to make summary for some e-book, they are complained. Just tiny students that has reading's soul or real their pastime. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading really. Any students feel that reading through is not important, boring and also can't see colorful photos on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this Socialism and Man in Cuba can make you truly feel more interested to read.
