The Memory Box Eva Lesko Natiello

A psychological thriller with twists & turns until the last page.

What if You Googled Yourself & Found Something Shocking?

In this gripping page turner suspense, Caroline Thompson Googles herself and discovers the shocking details of a past she doesn't remember.

HOUSTON WRITERS GUILD Manuscript AWARD WINNER

In this best seller suspense thriller, a group of privileged suburban moms amuse themselves by Googling everyone in town, digging up dirt to fuel thorny gossip. Caroline Thompson, devoted mother of two, sticks to the moral high ground and attempts to avoid these women. She's relieved to hear her name appears only three times, citing her philanthropy. Despite being grateful that she has nothing to hide, a delayed pang of insecurity prods Caroline to Google her maiden name—which none of the others know.

The hits cascade like a tsunami. Caroline's terrified by what she reads. An obituary for her twin sister, JD? That's absurd. With every click, the revelations grow more alarming. They can't be right. She'd know. Caroline is hurled into a state of paranoia—upending her blissful family life and marriage—desperate to prove these allegations false before someone discovers they're true.

The disturbing underpinnings of *The Memory Box* expose a story of deceit, misconceptions, and an obsession for control. With its twists, taut pacing, and psychological tenor, Natiello's page turning suspense cautions:

Be careful what you search for.

Praise for *The Memory Box*

"5-STARs" -- San Francisco Book Review

"...be prepared to toss that suburban fairy tale away, grab on to the steering wheel, and hope that you get through this obstacle course with all your mental faculties... Eva Lesko Natiello shows tremendous talent and courage in her creation of a powerful dichotomy, reaching beyond boundaries." -- San Francisco Book Review

"... this one comes along and tears to shreds everything you thought you knew about the genre . . . and just when you think the book may have hit the limits of its genre, another sinister twist pushes it into serious *Gone Girl* territory." —Bustle

"*The Memory Box* is a literary rarity—a story of high imagination cast with characters who seem as authentic as they are complex. From the moment Caroline Thompson dares to Google her own name, the stakes and suspense develop, treating the reader to a "can't put it down" mystery."

—Sidney Offit, author of *Memoir of a Bookie's Son*

“Epically creepy. . . creepier than Gillian Flynn’s *Gone Girl*. After the last word, I had to take a deep breath, and think of cute, comforting things, like kittens and baby hedgehogs to stop the chills running through me.”
—Sally Allen, Hamlethub

“The Memory Box left me feeling stunned . . .” —onlinebookclub.org

“Could not put this book down.” —Jessica Collins, Books, Ink’s

“In her impressive first novel, *The Memory Box*, Eva Lesko Natiello tells the fascinating story of a woman whose memories piece together a self-portrait she doesn’t recognize—until those memories yield to the terrible secrets they conceal.”

—John Biguenet, author of *The Torturer’s Apprentice* and *Oyster*

The Memory Box is a Houston Writers Guild 2014 Manuscript award winner.

From reader reviews:

Nicole Garner:

Book is to be different per grade. Book for children right up until adult are different content. As you may know that book is very important normally. The book The Memory Box seemed to be making you to know about other information and of course you can take more information. It is rather advantages for you. The book The Memory Box is not only giving you much more new information but also to be your friend when you feel bored. You can spend your personal spend time to read your book. Try to make relationship with all the book The Memory Box. You never sense lose out for everything should you read some books.

Rodney Natale:

A lot of people always spent their free time to vacation or maybe go to the outside with them family members or their friend. Do you know? Many a lot of people spent they will free time just watching TV, or even playing video games all day long. If you wish to try to find a new activity honestly, that is look different you can read the book. It is really fun to suit your needs. If you enjoy the book that you simply read you can spent all day every day to reading a publication. The book The Memory Box it is quite good to read. There are a lot of folks that recommended this book. We were holding enjoying reading this book. When you did not have enough space to bring this book you can buy typically the e-book. You can m0ore effortlessly to read this book from a smart phone. The price is not to fund but this book offers high quality.

Barbara Robbins:

Precisely why? Because this The Memory Box is an unordinary book that the inside of the e-book waiting for you to snap that but latter it will shock you with the secret the idea inside. Reading this book next to it was fantastic author who write the book in such incredible way makes the content inside easier to understand, entertaining way but still convey the meaning completely. So , it is good for you for not hesitating having this ever again or you going to regret it. This excellent book will give you a lot of rewards than the other book have such as help improving your expertise and your critical thinking approach. So , still want to hold off having that book? If I have been you I will go to the publication store hurriedly.

Megan Jordan:

Do you like reading a guide? Confuse to looking for your favorite book? Or your book was rare? Why so many concern for the book? But almost any people feel that they enjoy for reading. Some people likes studying, not only science book but novel and The Memory Box or maybe others sources were given knowledge for you. After you know how the fantastic a book, you feel would like to read more and more. Science publication was created for teacher or perhaps students especially. Those guides are helping them to bring their knowledge. In different case, beside science book, any other book likes The Memory Box to make your spare time a lot more colorful. Many types of book like here.
