Single mother **Abbey Fuller** loves her family more than anything, and doesn't regret for a moment having had to put her dreams of being an interior designer on hold. But with her son, Max, growing up, when a friend recommends her for a small design job she jumps at the chance. How hard can it be?

Nick Sinclair needs his house decorated in time for his family's festive visit – and money is no object. What he doesn't need is to be distracted from his multi-million dollar business – even if it *is* Christmas.

When Abbey pulls up to the huge Sinclair mansion, she has a feeling she might be out of her depth. And when she meets the gorgeous, brooding Nicholas Sinclair, she knows that she's in real trouble...

With the snow falling all around, can Abbey take the chance to make her dreams of being a designer come true? And can she help Nick to finally enjoy the magic of Christmas?
