David Bowie: Starman Time Inc.

No rocker has ever fused stage and private personalities with such dedication and calculation as David Bowie. The painted perversity of Ziggy Stardust spearheaded Glitter Rock and Glam Rock back in the early '70s. In a dress-down era of jeans, beards and denim jackets, Bowie as Ziggy went onstage in heels, makeup, boas and avant-garde costumes made for him by young designers like Japan's Kansai Yamamoto.

Movies. Records. Mime. Broadway stage. Video. Painting. Bowie has done them all, spinning off in so many directions that he looks like a loose compass searching for magnetic north. The striking thing is how often he finds it, and how, when the needle settles, so many diverse directions have been blended into one.

This Top Story Collection from People celebrates the life of David Bowie: Starman.
