Little Sister Dev Jarrett

Seven year old Lucinda has a homemade doll that has a special kind of magic. When someone tries to hurt Lucinda and her mother, perhaps he'll see the doll's magic too.

For her seventh birthday Lucinda's grandfather sends her a homemade doll. Her mother Sharon had a little sister once—and now Lucinda has a “little sister” of her own.

Sharon's boyfriend Deke is not the man she thought he was—he's hateful and abusive, like something out of a nightmare. Now he's on the run from the police and he's taken Sharon and Lucinda with him.

Mother and daughter must find some way to escape his blood-soaked grasp before he kills them both. They have no way out.

All they have is Lucinda's homemade doll.
