My Life in Motion Pictures: 30 Famous Quotes for Day-to-Day Life Kelsey E. Mecher

My life is surrounded by movie quotes. Everywhere I go, everything I do, I am quoting movies. Movies have had such a huge impact on my life that I want to share it with the world. A writing challenge called NANOWRIMO made that possible. A challenge where you have to write for 30 days in the month of November and you will have the makings of your very own novel. I couldn't think of what to write until someone reminded me of my love of Movie Quotes. That started the madness which is called writing. I took 30 famous quotes from movies of all genres and applied them to my life. How can I use the quote from P.S. I Love You? How does it impact my life? How can it help yours? These are questions that I try to answer with the help of quotes from famous movies said by famous actors and actresses. I hope these quotes help you as they have helped me!
