**REVEL for Cognition -- Access Card (6th Edition)** Gabriel A. Radvansky, Mark H. Ashcraft  
REVEL™ for *Cognition* provides a balance between classic research and current topics in the fascinating field of human memory and cognition. Using a first-person narrative, REVEL for *Cognition* poses direct questions to readers, drawing them in and conveying the excitement of the field. Reflecting the increasing use of new technologies to study memory and cognition, the authors continue to integrate sections on neurosciences within individual chapter topics.

REVEL is Pearson's newest way of delivering our respected content. Fully digital and highly engaging, REVEL offers an immersive learning experience designed for the way today's students read, think, and learn. Enlivening course content with media interactives and assessments, REVEL empowers educators to increase engagement with the course, and to better connect with students.

**NOTE:** REVEL is a fully digital delivery of Pearson content. This ISBN is for the standalone REVEL access card. In addition to this access card, you will need a course invite link, provided by your instructor, to register for and use REVEL.
