## **The Law of Treaties in Russia and the Commonwealth of Independent States: Text and Commentary**

William E. Butler

Since the dissolution of the former U.S.S.R., twelve countries are now confronted with the task of defining their attitudes and policies towards the central means for law-making in the international community: the treaty. This comparative commentary on the law of treaties includes full texts in an original, authoritative translation of relevant legislation. It also contains informed commentary on every article in the laws, and an extensive classified bibliography.
