The Woman in the Photograph: The Search for My Mother's Past

Mani Feniger

The Woman in the Photograph: The Search for My Mother's Past Mani Feniger

Mani Feniger wanted nothing to do with the relics of her mother's life before she escaped from Nazi Germany in 1936. But when the fall of the Berlin Wall exposed the buried secrets and startling revelations of her mother's past, she was drawn into an exploration-of history and family, individuality and identity, mothers and daughters-that would change her life forever. THE WOMAN IN THE PHOTOGRAPH is a riveting, beautifully written memoir that reminds readers of the power of truth, the choices that shape our lives, and the legacy we pass on to future generations. Mani's evocative book unfolds like a mystery. "The story has a heartbeat and I found myself rooting for her and for her mother." -Sue Bender, author of Plain and Simple and Everyday Sacred
