Desired by the Alpha Cowboy: A St. Louis Bride

Olivia Corcoran-Halstead has been thrust into yet another new incarnation of her life and is forced to adapt. Her role as housewife has come to her easily and she's thrilled her growing relationship with her new mother-in-law is going so well. When her husband is broken, she finds an inner strength to pull herself up and power through.

Jack Halstead's life has been flipped upside down by his sweet and gorgeous wife. Like a love struck teenager he's consumed by his attraction to her. But all of that becomes secondary to the looming problem of losing his ranch and everything he's worked for.

The trouble with Harris Walker has reached its peak, leaving Olivia and her husband, Jack moving in with Jack's mother, Abigail and his older brother Clay. The new marriage is already being tested by strains on money, personality differences, and internal doubts before the ink is even dry on the license.
