Shy Elliott is the daughter to one of the most prominent leaders in Jacksonville, Florida. After having her daughter at the tender age of 18, her father tried forcing her into marrying her high school sweetheart Ahmod. Ten years later Ahmod is not as sweet as he once was in high school. Shy is very close to her mother and sister but she keeps certain things from them to keep peace in her home and family life. With her father standards so high for his daughters she tends to just hide from the world until she feels that she is worthy enough to be a preacher's kid. From her father's rejection and the rejection of Ahmod, she finally finds the courage to leave him and run into the arms of another man.
