When Suzie's car broke down, she called the one man who she knew could help; her Brother in Law. She was always secretly attracted to him, exchanging subtle glances at family dinners or wearing sexy blouses when he would come over. But she had never acted on her forbidden lust.

While her husband and his brother fix her car, she watched from the kitchen and fantasized about what she would like him do to her. She even fantasized about her husband and his brother taking turns on her.

Finally, the opportunity presented itself. With her husband gone, this was her chance to get a taste of him.

Will she make an advance on her strong, hot brother in law? Or will she let the opportunity pass? Only one way to find out.
