Haleigh Cookson Clark

Young, hot, and just out of college, Eva and Beth are best friends soaking up the sun and enjoying a relaxing, wine-soaked stay at Beth's parent's swanky beach house. After some drinks on the beach Beth tries to boost the shy Eva by complimenting and teasing her, but tensions only rise. Later on, when the pair share a drunken shower and talking about their crushes **Eva accidentally brushes up against the young, hot flesh of her best friend**, and passions ignite.

Drunk, naked, and dripping with steamy hot water, how long will these two be able to resist one another? More to the point: will they want to?

This short story is roughly 9500 words in length, and contains steamy scenes of first-time sexy sex between two young hot college teens, and **two bicurious best friends who find out what girls taste and feel like**.
