Subverter (Lost Road Chronicles) (Volume 2) J. Leigh Bralick

Arah Byen stands on the edge of disaster. A year has passed since the judgment of the Ungulion, and Merelin Lindon is beginning to believe she will never re-turn to the world she loved. But when she begins to suffer from strange visions of a life and a love she left behind—visions that grow darker and harsher with each passing day—she begins to understand that her role in Arah Byen is far from over. But when the moment finally comes that takes her back to Arah Byen, she never could have expected what she would find. The world should have been at peace, but a new enemy has crept from the shadows, plotting the overthrow of all that Merelin holds dear. And at his side is the rhesep, a mysterious, deadly assassin who challenges everything Merelin believed to be true. With everything turned upside-down and nothing as it seems, Merelin must discover whose side she is really on, and who she can trust, before it is too late. But how can she know who to trust, when she isn't even sure she can trust herself?
