Taken: The Vampire's Concubine - Part One

Genre: Vampire Romance, Science Fiction Romance

Blurb:

Keely was used to fighting to survive. It was the only way to live in the ruined and ravaged remains of humanity. Never in her wildest dreams did she really believe that vampires were real. At least she didn't until the night she was abducted.

Taken and held captive with four other women, they quickly learn the reason for their abduction. Due to a genetic fluke, their blood contains the v factor... and the vampires want them to repopulate their world.

Expected to participate in a market and pick a mate, Keely is floored by her attraction to the sexy vampire that guards her. But he's not the only one that wants her. How can any female choose?

This book (episode) is part of a bestselling ongoing series. It is not a standalone. Each release in this dark, decadent series is 17,000 to 19,000 words in length. Season One of Taken: The Vampire's Concubine has now been fully released with a total of six books! See the rest of this series on my author page here on Amazon.
