Smart and socially gifted, Adam and Cynthia Morey are perfect for each other. With Adam's rising career in the world of private equity, a beautiful home in Manhattan, gorgeous children, and plenty of money, they are, by any reasonable standard, successful. But for the Moreys, their future of boundless privilege is not arriving fast enough. As Cynthia begins to drift, Adam is confronted with a choice that will test how much he is willing to risk to ensure his family's happiness and to recapture the sense that the only acceptable life is one of infinite possibility. *The Privileges* is an odyssey of a couple touched by fortune, changed by time, and guided above all else by their epic love for each other.
