Wild Woman (Sisters of the Ark) Lindsay McKenna

On the other side of the world in the lair of a criminal mastermind waited one woman's destiny....

She was the cream of the Black Jaguar Squadron. Under her call sign "Wild Woman," Jessica Merrill had proven her air combat prowess with zero failed missions. But it was her heritage, rather than her military record, that landed her the mission to infiltrate a compound of pure evil to reclaim a powerful totem.

CIA operative Mace Phillips had been recruited to play her husband. A stretch for a woman whose lifestyle...until now...had meant a lonely bed. New to the spy game, Jessie agreed to the dangerous charade with only one goal in mind: mission accomplished. Because Wild Woman never left anything—or any one—behind...

Sisters of the Ark—driven by a dream of legendary power, these Native American women have sworn to protect all that their people hold dear.
