## **A Short and Happy Guide to Torts (Short and Happy Series) Roger Schechter**

In this concise book Professor Schechter, an award-winning teacher and prominent national bar lecturer has balanced brevity and humor with a clear, crisp and thorough review of basic Torts doctrine. His comprehensive survey includes not only thorough coverage of core topics such as negligence and strict products liability, but provides an overview of the economic and dignitary torts, damages issues, and vicarious liability as well. As the series title promises, the author has kept it short, and the book will make students happy.
