Discourse Analysis as a Tool for Understanding Gender Identity, Representation, and Equality (Advances in Linguistics and Communication Studies) Nazmunnessa Mahtab

Today, gender and gender identity is at the forefront of discussion as the plight of women around the world and issues of gender equality and human rights have become an international concern for politicians, government agencies, social activists, and the general public.

Discourse Analysis as a Tool for Understanding Gender Identity, Representation, and Equality provides a thorough analysis of what language use and linguistic expression can teach us about gender identity in addition to current discussions on topics related to womens rights and gender inequality. Focusing on issues related to women in developing countries, workplace inequalities, and social freedom, this publication is an essential reference source for researchers, graduate-level students, and theorists in the fields of sociology, womens studies, economics, and government.
