### **Menage at Midnight**

Kersley has been less-than thrilled about Nookville, the sleepy town she moved to a year ago. The monotony of working at the bank day-in and day-out and attending college classes has left her in a trance of boredom that needs to be awakened. The only thing that puts a spark in her day is Mickey, the hot stranger in her class that she has been lusting over.

Her dull reality gets a shake-up when her crush and his equally-hot friend swoop in to save her from a would-be attacker and reveal that they are in-fact more than mere mortals – they are vampires. Kersley can't believe her senses as she sees their un-human strength and their eyes shift red. She is now intrigued more than ever with Mickey, and also his fanged-friend.

As a gesture of thanks, Kersley invites the two hot rescuers in to her place for a drink. The energy in the room is electric – both of the vampires want Kersley and she wants both of them. Kersley throws caution to the wind. She ached for something out-of-the ordinary to stir things up in her life, and a ménage with two smoking-hot vampires certainly does just that.

### **Alpha Arousal**

Allison's life will never be the same after she returns to her home to find two smoking hot werewolves waiting for her arrival. Unable to control the strange animalistic urges overwhelming her body, she throws herself into an adventure of lust and passion that forever changes the course of her destiny.

The two alpha werewolves both long to have Allison as their mate, but the final choice is up to her. She begins to form a deep bond with each of them and does not want to reject either werewolf. Will she be forced to choose or will her love and passion for both werewolves transcend?

**WARNING:** These stories are super hot with explicit scenes of desire and passion that do not leave much to imagination. This ebook is intended for adult eyes only!!
