On Wings of Song

Thomas M. Disch

On Wings of Song Thomas M. Disch

Named one of science fiction's 100 best books by noted genre editor David Pringle, Thomas M. Disch's *On Wings of Song* is at once allegory, social satire, political fable, and brilliantly written science fiction of the ultimate out-of-body experience. In Disch's dazzlingly imagined future America, Daniel Weinraub dreams of escaping the repressive midwest of the mid-twenty-first century through an electronic device with which the user takes flight into cyberspace when activated with a quasi-musical code called "The Symphonette." Daniel's adventures take him from Iowa's God-fearing police state and its "correctional" labor camps for the sinful to Manhattan's mean streets and "cyberspatial flight paths."

From reader reviews:

John Warner:

The book On Wings of Song make one feel enjoy for your spare time. You need to use to make your capable much more increase. Book can to become your best friend when you getting tension or having big problem with your subject. If you can make reading a book On Wings of Song to become your habit, you can get a lot more advantages, like add your own capable, increase your knowledge about some or all subjects. It is possible to know everything if you like available and read a reserve On Wings of Song. Kinds of book are several. It means that, science reserve or encyclopedia or other people. So , how do you think about this publication?

Barbara Corbin:

In this 21st millennium, people become competitive in each and every way. By being competitive now, people have do something to make them survives, being in the middle of the actual crowded place and notice simply by surrounding. One thing that occasionally many people have underestimated that for a while is reading. Sure, by reading a reserve your ability to survive raise then having chance to remain than other is high. In your case who want to start reading some sort of book, we give you this On Wings of Song book as basic and daily reading reserve. Why, because this book is more than just a book.

Keith Reese:

Spent a free time for you to be fun activity to complete! A lot of people spent their leisure time with their family, or their friends. Usually they undertaking activity like watching television, gonna beach, or picnic inside park. They actually doing ditto every week. Do you feel it? Would you like to something different to fill your own personal free time/ holiday? Could be reading a book might be option to fill your totally free time/ holiday. The first thing you will ask may be what kinds of guide that you should read. If you want to consider look for book, may be the book untitled On Wings of Song can be great book to read. May be it may be best activity to you.

Leah Humphries:

As a scholar exactly feel bored for you to reading. If their teacher questioned them to go to the library or even make summary for some reserve, they are complained. Just minor students that has reading's internal or real their passion. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading really. Any students feel that reading is not important, boring along with can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this On Wings of Song can make you really feel more interested to read.
