Nicole has secrets of her own and a past she is running from? but Michael understands her better than anyone she has ever known. Soon, she is falling as deeply in love with him as he is with her? a profoundly meaningful experience that is destined to change their lives forever.

As the sexual tension between them builds, however, the clues mount up. When Nicole learns her host's terrifying secret, there is nowhere for her to run but into the blizzard raging outside, and Michael may be the only one who can save her life.
