Written by Derek Chester, D.C. Fontana, Gordon Purcell. The untold fourth year of the Enterprise's legendary five-year mission continues! With the Enterprise crippled and out of phase in a cloaking experiment gone haywire, a Romulan strike force storms the starship, looking for revenge over their stolen technology. Kirk and Spock, meanwhile, must find a way to repel the invaders, while at the same time reverse the experiment and restore the ship-before it fades away completely! From Star Trek grande dame D.C. Fontana and longtime Trek writer Derek Chester, with art by fan-favorite artist Gordon Purcell. The celebrated Sharp Brothers continue to provide covers for the series.
