Sturm

Ernst Jünger, Alexis P. Walker

Sturm Ernst Jünger, Alexis P. Walker

Set in 1916 in the days before the Somme offensive, Ernst Jünger's *Sturm* provides a vivid portrait of the front-line experiences of four German infantry officers and their company. A highly cultivated man and an acute observer of his era, the eponymous Lieutenant Sturm entertains his friends during lulls in the action with readings from his literary sketches. The text's forays into philosophical and social commentary address many of the themes of Jünger's early work, such as the nature of war, death, heroism, the phenomenon of *Rausch*, and mass society.

Originally published in installments in the *Hannoverscher Kurier* in 1923, *Sturm* fell into obscurity until 1960, when it was re-discovered and subsequently re-published by Hans Peter des Coudres, a scholar of Jünger's work. This translation—the first to be published in English—brings to the English-speaking world a work of literature of interest not only to students of Jünger's work and of World War I, but to any reader in search of a powerful story of war and its effects on the lives of the men who endure it.

From reader reviews:

Sherry Stevens:

Book is to be different per grade. Book for children until eventually adult are different content. As we know that book is very important for us. The book Sturm ended up being making you to know about other information and of course you can take more information. It doesn't matter what advantages for you. The e-book Sturm is not only giving you much more new information but also to get your friend when you feel bored. You can spend your current spend time to read your book. Try to make relationship while using book Sturm. You never really feel lose out for everything should you read some books.

William Manwaring:

Information is provisions for those to get better life, information these days can get by anyone with everywhere. The information can be a knowledge or any news even a problem. What people must be consider whenever those information which is in the former life are hard to be find than now could be taking seriously which one is acceptable to believe or which one the particular resource are convinced. If you find the unstable resource then you get it as your main information you will see huge disadvantage for you. All of those possibilities will not happen inside you if you take Sturm as your daily resource information.

Daniel McCullough:

Do you have something that you enjoy such as book? The guide lovers usually prefer to opt for book like comic, limited story and the biggest one is novel. Now, why not seeking Sturm that give your enjoyment preference will be satisfied simply by reading this book. Reading routine all over the world can be said as the opportunity for people to know world a great deal better then how they react to the world. It can't be said constantly that reading behavior only for the geeky individual but for all of you who wants to become success person. So , for all you who want to start reading as your good habit, it is possible to pick Sturm become your own personal starter.

Jeffry Yanez:

Do you like reading a e-book? Confuse to looking for your chosen book? Or your book was rare? Why so many query for the book? But just about any people feel that they enjoy for reading. Some people likes looking at, not only science book but novel and Sturm as well as others sources were given information for you. After you know how the truly great a book, you feel would like to read more and more. Science reserve was created for teacher as well as students especially. Those ebooks are helping them to increase their knowledge. In different case, beside science reserve, any other book likes Sturm to make your spare time more colorful. Many types of book like this one.
