## **Historical Atlas of the 20th Century** John Haywood

The Historical Atlas of the 20th Century offers a fascinating and informative guide to the history of humanity from 1900 to the present day. With exquisitely and studiously detailed maps affording a wealth of information, precise coverage of regional developments and events, as well as overviews of grand themes of history and key dates in time, this atlas is an indispensable wealth of information on the past century. All maps are supported by a wealth of annotation, enlightening accompanying essays, and summary timelines, and are backed by an easy-to-use network of cross-references, indexes, and a substantial encyclopedic section providing an A to Z guide to the people, places, and events that made their indelible mark on our history. Planned with both the expert and the amateur in mind, the Historical Atlas of the 20th Century forms a highly accessible, beautifully presented survey that will prove equally ideal for quick references or more scholarly reading alike. -- Thirty full-color maps trace the history of all parts of the world between 1900 and 1999, including detailed accounts of wars and global trading systems -- Contains detailed coverage of major political, military, social, and cultural developments of the Twentieth Century, all fully cross-referenced and indexed for quick and easy searches -- Combines the functions of an historical atlas with those of an historical encyclopedia, allowing for detailed descriptions and accounts, quick references, and sustained reading
