Mysteries of the Space -Time Continuum: A Warped Universe Mark F. Dennis

Over the ages, mankind has come to a place in time where he can now, still in a limited way, understand much more about the world around him and what came before him. The stories told by the oracles all have their truths; only through the enlightenment of science, working with empirical and measurable evidence can mankind eventually tell a story of the truth, finally allowing man to see the truth of his past.
