## About Sons and Lovers by D. H. Lawrence

Sons and Lovers is a 1913 novel by the English writer D. H. Lawrence. The Modern Library placed it ninth on their list of the 100 best novels of the 20th century. While the novel initially incited a lukewarm critical reception, along with allegations of obscenity, it is today regarded as a masterpiece by many critics and is often regarded as Lawrence's finest achievement. Lawrence rewrote the work four times until he was happy with it. Although before publication the work was usually titled Paul Morel, Lawrence finally settled on Sons and Lovers. Just as the new title makes the work less focused on a central character, many of the later additions broadened the scope of the work, thereby making the work less autobiographical. While some of the edits by Garnett were on the grounds of propriety or style, others would once more narrow the emphasis back upon Paul.
