Blood Red Tide: Bad Times Book 2 (Volume 2) Chuck Dixon

Treasure is when you find it. The Rangers have returned from the prehistoric past to find themselves in an even more dangerous time---The Present. Being on the run takes money. On the run from the richest man in the world takes millions. From a forgotten cave in the Nevada desert to the pirate-infested seas of the ancient world, the Rangers hunt for treasure lost to time. The travelers to the past find once again that history is not what it seems and the future is always in doubt. Stalked by hit men, the Russia mob and a mysterious man with green eyes, Dwayne, Caroline and the hard chargers of Team Tauber hide out two centuries B.C. to hunt for a legendary cache of gold coins. Action and adventure master Chuck Dixon returns to the world and characters of Cannibal Gold for even more Bad Times. "Dixon excels at putting down action, of introducing larger-than-life heroes, kicking them through the door into a big mess, and having them sort out a situation in a flurry of martial arts moves and big guns." Mel Odom Hunters of the Dark Sea, Paid in Blood
