## Deadly Cool Gemma Halliday

First I find out that my boyfriend is cheating on me. Then he's pegged as the #1 suspect in a murder. And now he's depending on me to clear his name. *Seriously?*

As much as I wouldn't mind watching him squirm, I know that he's innocent. So I'm brushing off my previously untapped detective skills and getting down to business. But I keep tripping over dead bodies and I'm still no closer to figuring out who did it. And what's worse: all signs seem to point to me as the killer's next victim.

I really need to pick a better boyfriend next time.
