Forbidden Bear is set in Bear Creek and can be read as a standalone book

Mia is a wolf shifter, and a president of the Wolf Valley MC. The wolf part she loves, the MC, not so much. Thrust into the world of motorbikes and men, she has to play her part, or risk her family been thrown out of the increasingly lawless, Wolf Valley. All thanks to the mistakes of her brother, Kurt.

When a deal goes wrong, thanks to the wolves been on Bear Creek territory, she is ready to fight. But then her damn true mate turns up and her attempt to run from him backfires when her wolf won't cooperate. She can't understand it, why would her wolf actually **want** Mia to mate with a big hunk of stinking bear, even if the man is hottest thing she's ever seen in leather pants!

Joel has met more than his mate. Mia is most certainly his match too, the way she handles her bike, and that skin tight leather catsuit, what more could a bear want? Even if she is a wolf, his bear ain't complaining.

Fur flies when these two meet, but Joel is not going to take no for an answer, and Mia realises that when fate comes riding on a motorbike, the only thing to do is hitch a lift. Even though she knows it is forbidden.

But Joel has so much more to offer her than sex, when he hears about her rift with her brother, he takes it on himself to persuade her to sort it out. She agrees, but wants their relationship to remain a secret.

What he doesn't know, is that his biker buddies have already figured it out, and plan to help make amends for their actions, because in the Bear Creek MC, *it's all fur one and one fur all!*

Contains scorching hot sex scenes and is meant for over adults only.
