## My First Color Dominoes: The Game of Color Discovery

This book and accompanying domino game offer an intriguing way to learn and explore the world of color. The game—28 sturdy pieces securely stowed—features colorful familiar objects to match end to end. And the robust board book stashed in a pocket on the other side reinforces color combinations learned in the game. Just what colors combine to make gray? Pink and green! This new twist on an old classic is guaranteed to provide fun for years.
