Scientology: The Fundamentals of Thought

Designated by L. Ron Hubbard as the *Book One of Scientology*. After having fully unified and codified the subjects of Dianetics and Scientology came the refinement of their *fundamentals*.

Originally published as a résumé of Scientology for use in translations into non-English tongues, this book is of inestimable value to both the beginner and advanced student of the mind, spirit and life. Equipped with this book alone, one can begin a practice and perform seeming miracle changes in the states of well-being, ability and intelligence of people.

Contained within are the *Conditions of Existence*, *Eight Dynamics*, *ARC Triangle*, *Parts of Man*, the full analysis of *Life as a Game*, and more, including exact processes for individual application of these principles in processing. Here, then, in one book, is the starting point for bringing Scientology to people everywhere.
