What do the Ten Commandments do for you? Do they send you on a guilt trip? Are they a mirror of your frailties? Or do they hold life-changing love? The miracle of the Commandments is that even after thousands of years, they still hold everything we need to live in relationship with God and with one another.

The forty short chapters in Love Rules are shards of real, gritty life. In this women's Bible study, you will see yourself and how pride, insecurity, grudges, and coveting damage relationships. Each narrative also shows exactly why we still need Jesus and His perfect, Commandment-keeping love.

Love Rules tells the story of spiritual transformation, shows how God wants us to love better, and helps us see how we can. This Bible study addresses one commandment each week, then follows up with four devotions that approach the topic from different angles. The readings takes a what does this mean approach by asking open-ended questions and providing related Bible readings.

For individual and group study.
